NDHIA Membership Breakfast (NDHIA Management, Delegates and DRPCs ONLY)

National DHIA and QCS staff will review 2021 operations and update activities in NDHIA, Quality Certification, DHIA Services, Data Flow, and Animal Identification.

Leadership Session (OPEN) – *The morning session will be joint with the Delegates, DHI Management & QCS Field Service group. The afternoon session will be for all the National DHIA meeting attendees.*

Ideas will be shared on positioning DHI organizations for implementing new technology and the return on investment. New and innovative management programs and processes will be presented to help DHI organizations prepare for the future. Allied industry representatives whose organizations impact the dairy data/data collection industry will provide updates and insights into their products and interaction with the DHI System. Collaboration and innovation as part of the DHI System delivery and broad dairy sector will be the focus.

Annual Meeting & Educational Sessions (OPEN)

The National DHIA annual business meeting will include the CEO - Management Report, Financial Report and President's Report along with a keynote topic. Sessions following the annual meeting will include reports from the US, Canada, and Denmark, National Milk, ICAR, Interbull, domestic and international allied organizations about their efforts and cooperation within the data flow in the global dairy data industry.
